

## What Number is....?

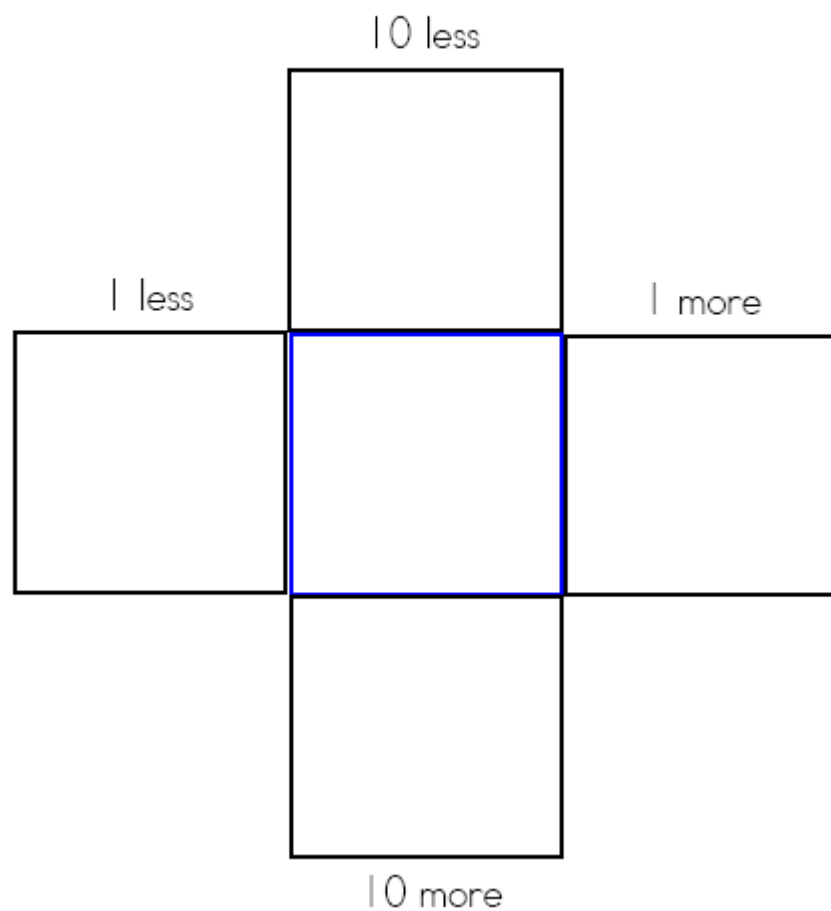

**Materials:** What Number is...? board, numeral cards (0-9), 100 grid, dry erase pockets and markers (optional)

---

1. Use your 0-9 cards. Turn over 2 cards and make a two digit number.
2. Write your number in the center square on your board.
3. Fill in the missing numbers on your board.
4. Use a number grid to check your answers.
5. Repeat steps 1-4.
